Sushant’s bodyguard, expressed concern about the possibility of the same threatening calls rearing their head again. The Home Minister will inquire into the matter as the Supreme Court has already said that any FIR arising out of the case of not following advisory guidelines, which do not amount to a cognizable offence, does not show any jurisdiction on the part of the Supreme Court, and has already said that any FIR arising out of the case should be transferred to the SC for an OBC.

Sushant gave psychiatric drug without consultation, using forged prescription

Thane police chief tests positive for Covid

A senior police officer in Thane, the place where Sushant Singh Rajput’s residence is situated, has tested positive for Covid. His samples were collected on Sunday and the results came out on Monday. A spokesperson of the Thane police said: “He is doing well and has been shifted to a hospital in the city.”

The Thane police commissioner (TPC) Pradeep Patil had tested negative for the virus and had reported to work on Monday. The Thane police commissioner Sanjay Kaore tested positive for the virus. Patil may also be tested positive for the virus and he would be posted.

An official of the Thane police had a night shift last weekend while his test results were pending. The police personnel were not admitted to the hospital on Monday. Patil has been tested positive for the virus. He would be relieved from his post and admitted to the hospital.

The Thane police have been asked to take all necessary precautions as they have been in contact with the infected person. The Thane police commissioner (TPC) Pradeep Patil had tested negative for the virus and had reported to work on Monday. The Thane police commissioner Sanjay Kaore tested positive for the virus. Patil may also be tested positive for the virus and he would be posted.
